

Product Information

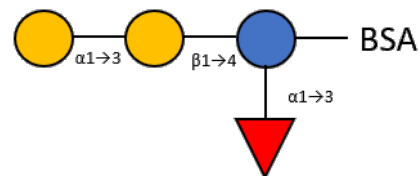

α -3-Galactosyl-3-fucosyllactose, BSA conjugate

Cat. No.: X23-04-ZQ179

Size: 1 mg; 5 mg; 10 mg

Synonym: α -3-Galactosyl-3-fucosyllactose-BSA; α -3-Galactosyl-3-FL-BSA

This product is for research use only and is not intended for diagnostic use.

Product Information

Glycan Structure	Gal α (1-3)Gal β (1-4)[Fuca(1-3)]Glc-BSA
Source	<i>E. coli</i>
Form	White powder
Purity	Main band 10 g/L, determined by TLC.
Identity	Confirmed by ^1H NMR.
Applications	α -3-Galactosyl-3-fucosyllactose-BSA can be used for plasma, antibody, and recombinant protein purification research.
Storage	Store at -20°C .

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
