

## Product Information

### Maltooligosyl trehalose trehalohydrolase

**Cat. No.:** X23-06-YM179

**Size:** 100 mL; 200 mL; 500 mL

**Enzyme Commission Number:** 3.2.1.141

**Synonym:** Malto-oligosyltrehalose trehalohydrolase

**This product is for research use only and is not intended for diagnostic use.**

#### Product Information

<b>Description</b>	Maltooligosyl trehalose trehalohydrolase is responsible for catalyzing the transformation of starch into trehalose.
<b>Form</b>	Yellow liquid
<b>Applications</b>	Maltooligosyl trehalosetrehalohydrolase is useful in the synthesis and food industry.
<b>Storage</b>	Store at -20°C.
