

## Product Information

### Chitosan dimer

**Cat. No.:** X23-09-YW031

**Size:** 10 mg

**MDL:** MFCD06801377

**PubChem Substance ID:** 329824919

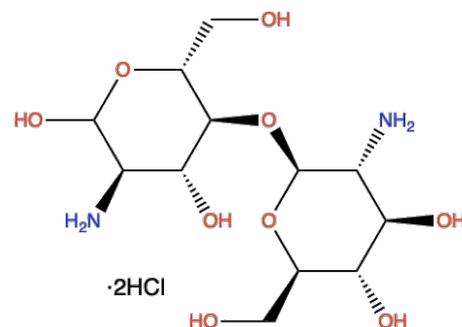

**PubChem CID:** 310269594

**NACRES:** NA.25

**Synonym:** Chitosan dimer dihydrochloride; Chitobiose dihydrochloride;

4-O-( $\beta$ -D-Glucosamine)-D-glucosamine; Chitobiose hydrochloride

**This product is for research use only and is not intended for diagnostic use.**

### Product Information

<b>Description</b>	Chitosan dimer is a chitosan derivative, which can be used in pharmaceuticals and drug delivery systems.
<b>Molecular Weight</b>	413.25
<b>Molecular Formula</b>
