

Product Information

Heparan sulfate, NA 14-Mer-pNP

Cat. No.: X23-09-LXQ316

Size: 100 µg; 200 µg; 500 µg

Synonym: Heparan sulfates; NA 14-Mer

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	Heparan sulfate (NA 14-Mer-pNP) facilitates precise investigations of structural features and biological functions of glycosaminoglycans.
Applications	Heparan sulfate (NA 14-Mer-pNP) is a valuable tool for the study of complex molecular interactions and structural analyses.
