

## Product Information

### iGb3

**Cat. No.:** X23-11-ZQ050

**Size:** 10 mg; 100 mg; 500 mg; 1 g; 10 g

**Synonym:** iGb3 ganglioside oligosaccharide

**This product is for research use only and is not intended for diagnostic use.**

#### Product Information

**Molecular Weight** 504.44

**Molecular Formula**  $C_{18}H_{32}O_{16}$

**Form** Powder

**Applications** iGb3 can be used to explore new immunotherapies by interfering with glycolipid metabolism

**Storage** Store at  $-20^{\circ}C$ .
