

Product Information

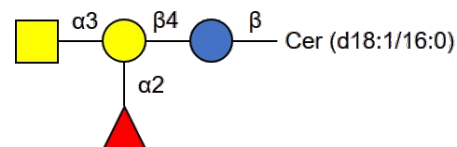

A Antigen Cer (d18:1/16:0)

Cat. No.: X23-11-ZQ231

Size: 100 mg; 500 mg; 1 g; 100 g; 1 kg

Synonym: GalNAc α (1-3)[Fuc α (1-2)]Gal β (1-4)Glc β -ceramide

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1211.53
Molecular Formula	C ₆₀ H ₁₁₀ N ₂ O ₂₂
Form	Powder
Applications	A Antigen Cer (d18:1/16:0) is a glycolipid subtype that can be used as a validated standard in the research of the development of cancer inhibitors.
Storage	Store at -20°C.
