

Product Information

iGB3Cer (d18:1/12:0)

Cat. No.: X23-11-ZQ356

Size: 10 mg; 100 mg; 500 mg; 1 g; 10 g

Synonym: Gal α (1-3)Gal β (1-4)Glc β -ceramide

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight 968.23

Molecular Formula C₄₈H₈₉NO₁₈

Form Powder

Applications iGB3Cer (d18:1/12:0) is a glycolipid subtype that can be used as a useful standard for the analysis of glycolipid species in organisms.

Storage Store at -20°C.
