

Product Information

iGB3Cer (d20:1/16:0)

Cat. No.: X23-11-ZQ363

Size: 10 mg; 100 mg; 500 mg; 1 g; 10 g

Synonym: Gal α (1-3)Gal β (1-4)Glc β -ceramide

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1052.39
Molecular Formula	C ₅₄ H ₁₀₁ NO ₁₈
Form	Powder
Applications	iGB3Cer (d20:1/16:0) is a kind of glycolipid and can be used as an effective standard for studying the abundance of glycolipids in cells.
Storage	Store at -20°C.
