

Product Information

iGB3Cer (d20:1/20:0)

Cat. No.: X23-11-ZQ365

Size: 10 mg; 100 mg; 500 mg; 1 g; 10 g

Synonym: Gal α (1-3)Gal β (1-4)Glc β -ceramide

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1108.5
Molecular Formula	C ₅₈ H ₁₀₉ NO ₁₈
Form	Powder
Applications	iGB3Cer (d20:1/20:0) is a glycolipid subtype, which can be used as a useful glycolipid standard in liquid chromatography analysis.
Storage	Store at -20°C.
