

Product Information

Mono-sulfo-galactosyl β Cer (d18:1/17:0)

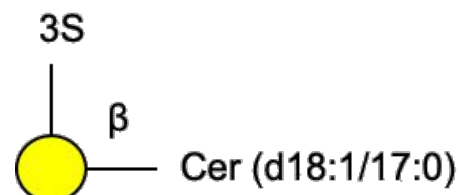

Cat. No.: X23-11-ZQ609

Size: 10 mg; 100 mg; 500 mg; 1 g; 10 g

CAS Number: 1246303-23-0

Synonym: d18:1/17:0 mono-sulfo-galactosyl- β Cer

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	797.14
Molecular Formula	C ₄₀ H ₈₀ N ₂ O ₁₁ S
Form	Powder
Applications	Mono-sulfo-galactosyl β Cer (d18:1/17:0) can be used as a lipid standard for the quantification of different phospholipids by flow injection analysis-tandem mass spectrometry method.
Storage	Store at -20°C.
