

Product Information

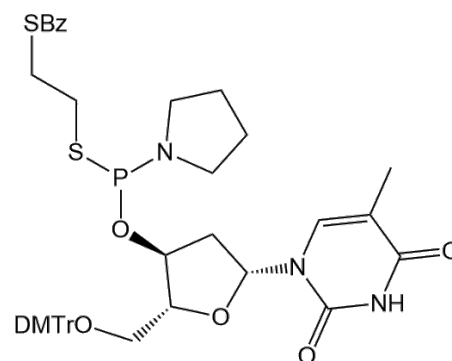

DMT-2'-dT-3'-PS-phosphoramidite

Cat. No.: X23-11-ZQ656

Size: 10 mg; 100 mg; 500 mg; 1 g; 10 g

Synonym: DMT-2'-dT-3'-PS phosphoramidite

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	841.97
Molecular Formula	C ₄₄ H ₄₈ N ₃ O ₈ PS ₂
Form	White to off-white powder
Purity	≥98%
Impurities	≤0.2%
Applications	DMT-2'-dT-3'-PS-phosphoramidite hybridizes to RNA sequences, which in turn are used to control gene expression.
Storage	Store at -20°C.
