

Product Information

Sheep lipopolysaccharide/lipooligosaccharide (LPS/LOS) ELISA kit

Cat. No.: X23-10-YM131

Size: 48T; 96T

Synonym: Sheep LPS/LOS ELISA kit

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	Sheep lipopolysaccharide/lipooligosaccharide (LPS/LOS) ELISA kit is an enzyme-linked immunosorbent assay for the quantitative detection of sheep LPS/LOS.
Assay Target	LPS/LOS
Species Reactivity	Sheep
Sample Type	Biological fluid samples
Applications	Sheep lipopolysaccharide/lipooligosaccharide (LPS/LOS) ELISA kit can be used to measure the level of sheep LPS/LOS in biological fluid samples.
Storage	Store at 2-8°C.
