

## Product Information

### Camel lipopolysaccharide (LPS) ELISA kit

**Cat. No.:** X23-10-YM175

**Size:** 48T; 96T

**Synonym:** Camel LPS ELISA kit

**This product is for research use only and is not intended for diagnostic use.**

#### Product Information

<b>Description</b>	Camel lipopolysaccharide (LPS) ELISA kit is an enzyme-linked immunosorbent assay for the quantitative detection of camel LPS.
<b>Assay Target</b>	LPS
<b>Species Reactivity</b>	Camel
<b>Sample Type</b>	Biological fluid samples
<b>Applications</b>	Camel lipopolysaccharide (LPS) ELISA kit can be used to measure the level of camel LPS in biological fluid samples.
<b>Storage</b>	Store at 2-8°C.
