

Product Information

β-Cyclodextrin dihydrogen phosphate, sodium salt

Cat. No.: XCO0044

Size: 100 mg; 250 mg; 500 mg; 1 g; 2 g

CAS Number: 199684-61-2

Synonym: PBCD.Na; Sodium b-cyclodextrin phosphate

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1134.98
Molecular Formula	C ₄₂ H ₇₀ O ₃₅
Biological Source	Synthetic
Form	White to off-white powder
Purity	>95%
Applications	β-Cyclodextrin dihydrogen phosphate, sodium salt is a useful chemical compound for research and analytical purpose.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
