

Product Information

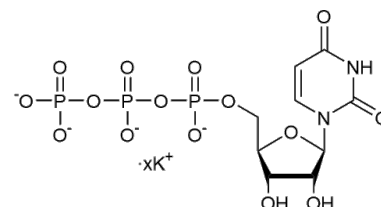

UTP, 200 mM potassium salt solution

Cat. No.: X24-09-LY424

Size: 1 mL; 2 mL; 5 mL; 10 mL

Synonym: Uridine 5'-triphosphate, potassium salt solution

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	UTP is a ribonucleotide with potassium salt solution concentration of 200 mM.
Molecular Weight	484.14
Molecular Formula	C ₉ H ₁₅ N ₂ O ₁₅ P ₃
Form	Clear colorless to faint yellow solution
Purity	≥97%, determined by HPLC.
Applications	UTP potassium salt solution serve as an energy substrate for cellular reactions, especially where high concentrations of substrate are required.
Storage	Store at -20°C.
