

## Product Information

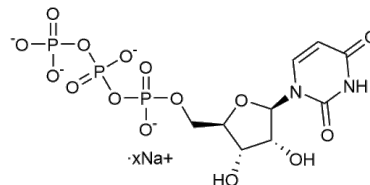

### UTP, 325 mM solution

**Cat. No.:** X24-09-LY427

**Size:** 1 mL; 2 mL; 5 mL; 10 mL

**Synonym:** Uridine 5'-triphosphate, sodium salt solution

**This product is for research use only and is not intended for diagnostic use.**

#### Product Information

<b>Description</b>	UTP is a ribonucleotide with solution concentration of 325 mM.
<b>Molecular Weight</b>	484.14
<b>Molecular Formula</b>	$C_9H_{15}N_2O_{15}P_3$
<b>Form</b>	Clear Colorless solution
<b>Purity</b>	≥98%, determined by HPLC.
<b>Applications</b>	Due to its higher concentration, UTP 325 mM solution is suitable for use in large-scale screening experiments.
<b>Storage</b>	Store at -20°C.
