

Product Information

Agarotridecaose, Purity≥95%

Cat. No.: X25-01-WXX286

Size: 10 mg; 20 mg; 50 mg; 100 mg

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	Agarotridecaose is a linear oligosaccharide consisting of thirteen sugar units.
Molecular Weight	2017.75
Molecular Formula	$C_{78}H_{120}O_{60}$
Form	Solid
Purity	≥95%
Applications	Agarotridecaose is mainly used in biomedical research and pharmaceuticals, especially in the preparation of biomaterials.
Storage	Store at -20°C.
