

Product Information

1,3-β-Glucanase

Cat. No.: X24-04-LY023

Size: 10 mg; 50 mg; 100 mg; 250 mg

CAS Number: 9044-93-3

Enzyme Commission Number: 3.2.1.39

Synonym: 1,3-beta-Glucanase; β-1,3-Glucanase

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	1,3-β-Glucanase is an enzyme capable of hydrolyzing 1,3-β-glucan (β-1,3-glucan) bonds.
Form	Solid
Purity	≥95%
Applications	1,3-β-Glucanase can be used to degrade beta-glucan in sources such as cereals, soybeans, and malt.
Storage	Store at -20°C.
