

Product Information

β-1,4-Galactosyltransferase 2

Cat. No.: X24-04-LY030

Size: 20 µg; 100 µg; 250 µg; 1 mg

Enzyme Commission Number: 2.4.1.22

Synonym: B4GALT2; beta-1,4-Galactosyltransferase 2; beta-1,4-GALT2

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	β-1,4-Galactosyltransferase 2 is specific only for the donor substrate UDP-galactose.
Form	Solid
Purity	≥95%
Applications	β-1,4-Galactosyltransferase 2 can be used to transfer galactose moieties in organisms.
Storage	Store at -20°C.
