

Product Information

Arylsulfatase B

Cat. No.: X24-04-LY059

Size: 20 µg; 100 µg; 250 µg; 1 mg

Enzyme Commission Number: 3.1.6.12

Synonym: ARSB

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	Arylsulfatase B is an enzyme that acts on glycosaminoglycans.
Form	Solid
Purity	≥95%
Applications	Arylsulfatase B has an important role in the study of mucopolysaccharidosis and related diseases.
Storage	Store at -20°C.
