

Product Information

Arylsulfatase G

Cat. No.: X24-04-LY060

Size: 20 µg; 100 µg; 250 µg; 1 mg

Enzyme Commission Number: 3.1.6.1

Synonym: ARSG

This product is for research use only and is not intended for diagnostic use.

Product Information

Description	Arylsulfatase G is a lysosomal sulfatase that hydrolyzes a variety of sulfate substrates.
Form	Solid
Purity	≥95%
Applications	Arylsulfatase G can be used for the research of glycosaminoglycan metabolic.
Storage	Store at -20°C.
