

Product Information

6-Azido-GlcNAc

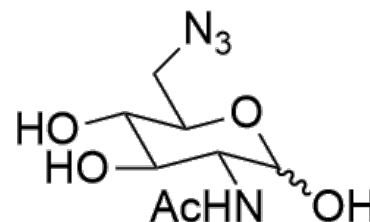

Cat. No.: X22-09-ZQ019

Size: 5 mg; 25 mg; 100 mg

CAS Number: 1611491-03-2

Synonym: 1611491-03-2; 219814-62-7

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	246.22
Molecular Formula	C ₈ H ₁₄ N ₄ O ₅
Form	Powder
Purity	>95%
Applications	6-Azido-GlcNAc is a useful chemical compound for research and analytical purpose.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
