

Product Information

Gel heparin 5PW

Cat. No.: X22-09-ZQ127

Size: 1 mg; 2 mg

CAS Number: 116111-09-2

Synonym: 116111-09-2; Gel chelate-5PW; Tsk gel heparin 5PW

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Formula	C ₇ H ₁₀ N ₄
Form	Powder
Applications	Gel heparin 5PW is a useful chemical compound for research and analytical purpose.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
