

Product Information

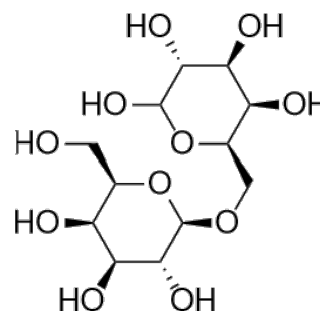

1,6-β-D-Galactobiose

Cat. No.: X22-09-ZQ533

Size: 10 mg

CAS Number: 5077-31-6

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	342.3
Molecular Formula	C ₁₂ H ₂₂ O ₁₁
Form	Powder
Purity	>95%, determined by HPLC.
Applications	1,6-β-D-Galactobiose is a useful chemical compound for research and biochemical enzyme assays.
Storage	Store at room temperature.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
