

Product Information

FITC-CM-Dextran

Cat. No.: XGB0480

Size: 1 g

NACRES: NA.25

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	average mol wt 4,000; 40,000; 70,000; 150,000
Biological Source	synthetic
Form	powder or crystals
Quality Level	100

Safety Information

WGK Germany	WGK 3
