

Product Information

Dermatan sulfate (dp8)

Cat. No.: X22-11-ZQ609

Size: 1 mg; 5 mg; 10 mg; 100 mg

Synonym: Dermatan sulfate oligosaccharides dp8

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight 1984

Form Powder

Applications Dermatan sulfate (dp8) is a useful chemical compound for research and analytical purpose.

Storage Store at -20°C.

Safety Information

Personal Protective Equipment Gloves, eyeshields, N95 mask
