

Product Information

Dermatan sulfate (dp10)

Cat. No.: X22-11-ZQ610

Size: 1 mg; 5 mg; 10 mg; 100 mg

Synonym: Dermatan sulfate oligosaccharides dp10

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	2480
Form	Powder
Applications	Dermatan sulfate (dp10) is a useful chemical compound for research and analytical purpose.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
