

Product Information

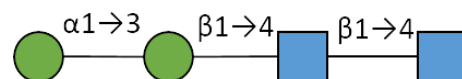

Man-2 (b)

Cat. No.: X22-11-ZQ727

Size: 20 µg; 50 µg; 100 µg; 1 mg

Synonym: Oligomannose-2(b); Man α (1-3)Man β (1-4)GlcNAc β (1-4)GlcNAc

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight 748.68

Molecular Formula C₂₈H₄₈N₂O₂₁

Form Powder

Applications Man-2 (b) is a useful chemical compound for research and analytical purpose.

Storage Store at -20°C.

Safety Information

Personal Protective Equipment Gloves, eyeshields, N95 mask
