

Product Information

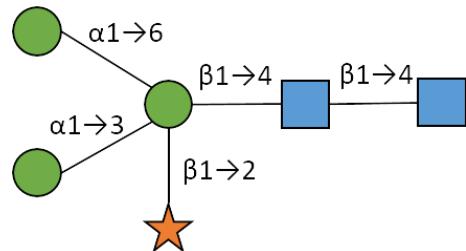

Man-3-xylose

Cat. No.: X22-11-ZQ730

Size: 20 µg; 50 µg; 100 µg; 1 mg

Synonym: Oligomannose-3 xylose; M3N2X Glycan

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight 1042.94

Molecular Formula C₃₉H₆₆N₂O₃₀

Form Powder

Applications Man-3-xylose is a useful chemical compound for research and analytical purpose.

Storage Store at -20°C.

Safety Information

Personal Protective Equipment Gloves, eyeshields, N95 mask
