

## Product Information

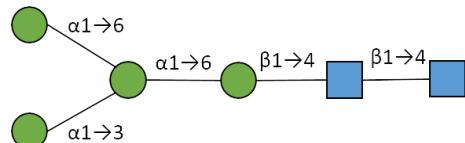

### Man-4(b)

**Cat. No.:** X22-11-ZQ731

**Size:** 20 µg; 50 µg; 100 µg; 1 mg

**Synonym:** Oligomannose-4(b)

**This product is for research use only and is not intended for diagnostic use.**

### Product Information

**Molecular Weight** 1072.96

**Molecular Formula** C<sub>40</sub>H<sub>68</sub>N<sub>2</sub>O<sub>31</sub>

**Form** Powder

**Applications** Man-4(b) is a useful chemical compound for research and analytical purpose.

**Storage** Store at -20°C.

### Safety Information

**Personal Protective Equipment** Gloves, eyeshields, N95 mask
