

Product Information

Man-7D1

Cat. No.: X22-11-ZQ736

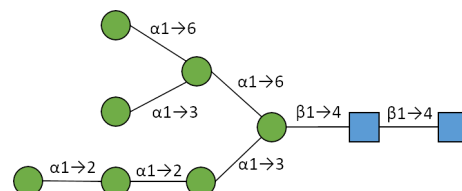

Size: 20 µg; 50 µg; 100 µg; 1 mg

CAS Number: 83178-05-06

Synonym: 83178-05-06; Oligomannose-7D1;

Mannoheptaose-di-(N-acetyl-D-glucosamine)D1

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1559.38
Molecular Formula	C ₅₈ H ₉₈ N ₂ O ₄₆
Form	Powder
Applications	Man-7D1 is a useful chemical compound for research and analytical purpose.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
