

Product Information

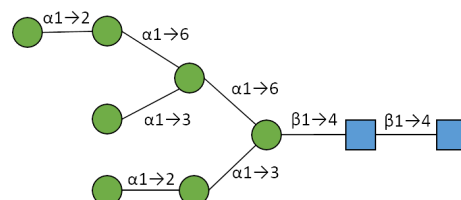

Man-7D3

Cat. No.: X22-11-ZQ737

Size: 20 µg; 50 µg; 100 µg; 1 mg

Synonym: Oligomannose-7D3; Mannoheptaose-di-(*N*-acetyl-D-glucosamine)D3

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight 1559.38

Molecular Formula C₅₈H₉₈N₂O₄₆

Form Powder

Applications Man-7D3 is a useful chemical compound for research and analytical purpose.

Storage Store at -20°C.

Safety Information

Personal Protective Equipment Gloves, eyeshields, N95 mask
