

## Product Information

### Rabbit Anti-*Helix pomatia* lectin (HPA) antibody, Edible snail, Rhodamine conjugate

**Cat. No.:** X23-02-ZQ843

**Size:** 2 mL

**Synonym:** Rabbit Anti-HPA antibody; Edible-snail-agglutinin

**This product is for research use only and is not intended for diagnostic use.**

#### Product Information

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>       | This product can be used in glycobiology, immunochemistry, immunofluorescence, western blot and enzyme-linked immunosorbent assay. |
| <b>Biological Source</b> | Edible snail                                                                                                                       |
| <b>Conjugate</b>         | Rhodamine                                                                                                                          |
| <b>Form</b>              | Liquid                                                                                                                             |
| <b>Buffer</b>            | 0.01 M PBS (pH 7.2)                                                                                                                |
| <b>Preservative</b>      | 0.05% Sodium azide                                                                                                                 |
| <b>Applications</b>      | Glycobiology, Immunochemistry, Immunofluorescence, Western blot, Enzyme-linked immunosorbent assay                                 |
| <b>Storage</b>           | Store at -20°C.                                                                                                                    |

#### Safety Information

|                                      |                              |
|--------------------------------------|------------------------------|
| <b>Personal Protective Equipment</b> | Gloves, eyeshields, N95 mask |
