

Product Information

Sialyl lewis X-lactose

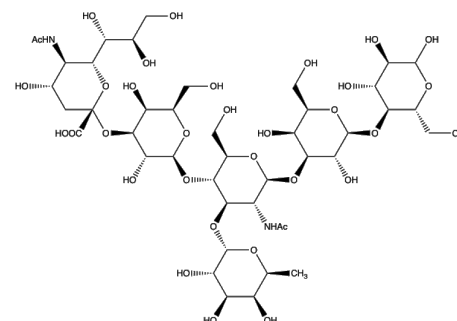

Cat. No.: X23-03-ZQ113

Size: 5 mg; 10 mg; 25 mg

CAS Number: 127923-85-7

PubChem Substance ID: 125307661

This product is for research use only and is not intended for diagnostic use.

Product Information

Molecular Weight	1145.03
Molecular Formula	$C_{43}H_{72}N_2O_{33}$
Form	White powder
Purity	>97.0%, determined by HPLC.
Applications	Sialyl lewis X-lactose can be used for research in the fields of glycobiology, immunochemistry and immunology.
Storage	Store at -20°C.

Safety Information

Personal Protective Equipment	Gloves, eyeshields, N95 mask
